HE LIVES WITHIN

How do I know that Christ is risen? What proof have I to give? He touched my life one blessed day, and I began to live. How do I know He left the tomb that morning long ago? I met Him just this morning and my heart is still aglow.

How do I know that endless life He gained for me that day?
His life within is proof enough of immortality.
How do I know that Christ still lives rich blessings to impart?
He walks with me along the way and lives within my heart.
